

## **Boat Song**

Come my friends, let's sleep no more  
It's time to cross to the other shore  
So climb aboard and don't delay  
On this great big boat  
Let's sail away

We'll have a ball as we float along  
Watchin' the waves and singin' this song  
There's room for all, let's go today  
On this great big boat  
Let's sail away

(Solos)

Come my friends, let's sleep no more  
It's time to cross to the other shore  
So climb aboard and don't delay  
On this great big boat  
Let's sail away
