

Sam's Search

Oh, where is that cat
Where can SnowCat be
Slinking in the shadows
Stuck up in a tree

Searching near and far
Seeking high and low
Looking for the answer
Where did SnowCat go

SnowCat, I'm talkin' about SnowCat
Where, oh where, I gotta know

(Spoken)

You know, everyone's looking for something: fortune, fame, even love, sometimes in the wrong places. Me? I'm looking for SnowCat. He's my best friend in the whole world.

Have you seen him? He's beautiful. Very big, with snow white fur.

He's kinda hard to miss, but we still might need your help to find him. Do you think you can help us find SnowCat?

(Singing)

Calling SnowCat, SnowCat, SnowCat, Snow....Cat...

(Spoken)

Come on everybody!

We really do need your help to find SnowCat.

First, everybody:

Clap your hands just like this...(clap on 2 and 4).

That's fantastic!

Next, boys:

You're going to sing with me, and your part goes like this...ready?

Sing out, boys!

That's big boys and little boys too.

Great!

OK, girls:

Big girls and little girls.

You're gonna sing what Dmitri is playing on his horn.

Can you hear that?
